YOUR EPIC LOVE MAP

Video Training + Guided Mapping Experience

Discover the emotional signature of the intimate relationship that will make you happy at your core and begin aligning your internal compass to finally receive it.

WATCH FIRST

Welcome to Your “Epic Love Map” Experience

You want “Epic Love,” right? You’re about to take the first step in reorienting your inner love life (your “Relationship Reality Field™”) from the inside out, so you can have it.

This is more than a visioning tool. It’s a **guided realignment of your relationship destiny** — to give you clarity on what you want in an intimate relationship at your core, at your soul level — so you can draw it to you and recognize it when you find it.

Start with the short video training. It will show you how to approach this map not, from the mind — but from your whole body, your resonance, your truth.

This map isn’t about chasing love. It’s about locating it — by feeling into the relationship you’re truly meant for, so you can recalibrate your emotional GPS to match it.

What You'll Discover:

- The kind of relationship your nervous system and subconscious mind have been wired to expect
- The kind of love your soul is now ready to receive
- The emotional coordinates you'll need in order to shift into alignment with what your soul wants at this phase of your life.

How to Use the Video + Map Together for Maximum Clarity

1. Prepare to use the workbook (a fillable pdf). Either:

- Print it out,
- Download the fillable pdf, or
- Simply fill it out online (NOTE: if you want to keep what you've written, you will need to download it once it's filled out.)... OR...
- You can use a journal and pen.

2. Make space for quiet reflection for about 20-30 minutes (make sure you won't be interrupted, silence your phone, perhaps light a candle).

3. Watch the short video training. It will shift how you think about "what you want" in love.

4. Follow the guided prompts in the workbook as you watch the video — or pause and come back after. Let your answers surprise you.

5. From your answers in the workbook, **complete your Epic Love Map** on page 12.

The love you're seeking is already aligned with the most present, elevated version of you. This map helps you remember how to feel like it now.
